

Sign The SPEAK UP Pledge!

I PLEDGE to do everything in my power to make my school and community safe places in which to live and learn.

I AM AWARE that in 4 out of 5 school shootings, the attacker tells someone about his or her plans beforehand.

FROM THIS DAY FORWARD, I PLEDGE to SPEAK UP if I know about a student carrying a weapon at school, planning a weapon-related attack or any other threat of violence.

IF I KNOW ABOUT A THREAT, I WILL:

- 1) Tell a trusted adult or
- 2) Call the anonymous, toll-free 1-866-SPEAK-UP hotline

Students like me have the important opportunity to save lives and create safer schools and communities. To prevent violence, I can and must be part of the solution.
